

## BEAR Scotland - North East Unit

Each week dozens of essential roadworks are carried out in the North West trunk road network by BEAR Scotland, our subcontractors and by third parties. All roadworks are subject to change based on various circumstances, such as weather related events.  
Real time journey information is available from **Traffic Scotland** at [www.trafficscotland.org](http://www.trafficscotland.org) or twitter @trafficscotland.
