

Looking for a new challenge, working on Scotland's premier road network?

Join our team.

BEAR Scotland manage, maintain and improve almost 2,000km of Scottish trunk road including over 3,000 bridges and structures through some of the most scenic, but challenging, parts of the country.

From our main offices in Perth, Inverness, Edinburgh, Fort William and Dundee, our team of over 500 employees deliver £80 Million of road maintenance and improvement work every year.

We currently have a range of exciting opportunities for Highways, Bridges, Road Safety and Traffic Engineers and Technicians across all levels.

A drop in information evening will take place in Perth at the **Holiday Inn Express, Dunkeld Road, on Tuesday 3 October between 4pm and 8pm**. This will be a chance to find out more about BEAR Scotland and the roles on offer.

With a varied workload, guiding projects from inception through to completion these demanding roles will bring out the best in you. With attractive salaries, excellent career progression opportunities and the satisfaction of a job well done, you won't look back.

If you are up for the challenge, you could be a part of it.

Drop in information: Holiday Inn Express, Tuesday 3 October between 4pm and 8pm.
Address: Holiday Inn Express, 200 Dunkeld Road, Perth, PH1 3AQ
